Correct Pagination:

When laying out your booklet spreads keep in mind they have to be placed in the correct order for assembly, which is not simply laying them out in numerical order. The correct pagination for an 8 page booklet is:

Left Panel	Right Panel
Pg. 8 (back cover).....w/	Pg. 1 (front cover)
Pg. 2	Pg. 7
Pg. 6	Pg. 3
Pg. 4	Pg. 5
